

Winter on a Dry Fly

This 2-hour presentation explores the world of tiny bugs and big fish as they rendezvous at the surface in winter. You'll learn critical insight about a fish's feeding habits in winter and will it show you how to utilize that information to set up and deliver in the hatch. Nate divulges all secrets, all strategies, and all insight you'll need to open a whole new fly fishing season. Some of the most exciting dry fly fishing of the year happens after the first hard frost; and this presentation will prepare you for that experience with the right gear, knowledge of the hatches, and the perfect selection of winter dry flies.
